Misc. Information:

I  do  do not wish to use electrical service in the winter months for warming the engine. I understand there is a fee (See Regulation 2007-01 for the amount) for this service and that it will not be provided unless I pay the Treasurer in advance.

***I realize that this is not a secure facility and PHPOA is not liable for any damage or theft to my vehicle or its contents. I accept that unless my personal insurance covers potential losses within this complex, I will be solely and personally responsible for all such losses or damages. I am liable for any damage I, or my guests, cause to the property of PHPOA or others. Use of this facility is a privilege which may be withdrawn for infractions of the rules or inappropriate behavior; an appeal of this loss of privileges to the directors is available should I so desire.***

In case of an emergency, I give permission to PHPOA to move my vehicle for the safety of it or others, and, excepting gross negligence, I do not hold PHPOA liable for any damages incurred.
