LOT # _____

Page ___ of ___

SEWAGE CONNECTION PERMIT # _____

(REGULATION #07-08)

(year-seq#)

When approved by all appropriate parties, this Sewage Connection Permit (SCP) authorizes connection of this lot to the PHPOA sewage system. If rejected, explain below. If this application is resubmitted, a separate form should be opened with a letter suffix (eg. a, b,) and all consecutively numbered pages stapled together.

Applicant: Name(s) (Print): _____ (Signature¹) _____

*** REASON NOT APPROVED:**

NOTES (1) I/we agree that all work will be performed as approved prior to connection to the PHPOA Sewage Treatment System. If the first phase of the approved Landscape Plan is not completed as approved, this authorizes PHPOA to undertake the work and bill us for all associated costs.
